

LIMBERETTES SUMMER DAY CAMP

Frequently Asked Questions

What should my child wear to gymnastics camp?

Dress comfortably. A gymnastics suit or shorts and a t-shirt are recommended. Spaghetti strap tank tops and clothing with zippers, buckles and buttons are not allowed.

My child has never participated in gymnastics before. Will they fit in with the rest of the campers?

Yes. No experience is necessary. Camp is available to children of all skill levels. Our camp is recreational based and will be focusing on the FUNdamentals of gymnastics.

Is there anything special I need to pack for my child's lunch?

Campers will have two snack breaks and a lunch break. They will be very active throughout the day and we encourage parents to pack lots of healthy snacks as the campers are usually very hungry! We also recommend that you send your child with a water bottle so they remain hydrated throughout the day.

Does my child require special footwear in the gym?

No. Children will be barefoot in the gym. If your child cannot go barefoot for health reasons, socks with grip, or gymnastics shoes are required.

Does my child need different clothing for activities outside of the gym?

Yes. Campers will be going outside every day (weather permitting). Campers should dress for the weather. If it is warm outside, shorts and a t-shirt are a good option. If it is cooler, campers will need a sweatshirt or jacket. It is also important to always remember your sunscreen and hat!
